Word and Deed Uganda Lent Appeal for Batwa children

Would you consider a small daily sacrifice during Lent in order to lift a child from poverty and offer it a future? Maybe £1 or £2 or the price of a cup of coffee or ice cream ? Your gift could be life changing for one of our Batwa children.

Our partner ,WADU, ministers among some of the poorest communities in the world, the neglected Batwa communities of south west Uganda. Their mission is one of Christian evangelism and community transformation. Their strategy is to focus on the children and through the children whole families. Education is key to breaking the cycle of poverty and so we enable WADU to support over 200 Batwa children in schools. Daily meals, uniform, shoes, extra tuition, health and hygiene, holiday care---this support is thorough and costly but it is life changing for the children and also their families. Your gift would help so much! Thank you and God bless you!
